**In short.** Use AfterWorc honestly and lawfully. We do not allow illegal work, fraud, harassment, or anything that puts other users, payment partners or the card networks at risk. Breaking these rules can lead to suspension and reporting to authorities.

## 1. General rules

- Give accurate information about yourself, your business, your skills and your work.
- Do not pretend to be someone else, create fake or duplicate accounts, or share your account.
- Do not bypass or interfere with verification, security, messaging moderation or payment controls.
- Do not harass, threaten, discriminate against or spam other users.
- Do not post fake reviews or manipulate ratings or search results.
- Do not scrape, copy or resell Platform data or use bots without written permission.
- Do not upload malware or anything that could damage the Platform or other users' systems.
- Respect intellectual property and confidentiality.

## 2. Prohibited services and content

The following may not be requested, offered, discussed or paid for through the Platform:

- Anything unlawful in the place where the work is done or delivered.
- Malicious software, unauthorised access to systems or data, credential theft, denial-of-service tools, or hacking for hire. Security testing is allowed only with the written authorisation of the system owner.
- Fraud, phishing, scams, counterfeit goods, identity forgery or false documents.
- Services that infringe copyright, trademark, patents or trade secrets, or that circumvent licences.
- Sexually explicit or exploitative content, and anything involving minors in a harmful way.
- Content that promotes violence, terrorism, hatred or discrimination.
- Illegal drugs, weapons and other regulated goods or services.
- Illegal gambling, or unlicensed financial, money-transfer or virtual-currency services.
- Academic dishonesty services such as writing or taking exams for someone else.
- Personal-data harvesting, unlawful surveillance or spyware.
- Any other activity that card networks, our payment partners or the law prohibit.

## 3. Payments and the Platform

- Pay and get paid through the Platform for Engagements agreed on the Platform, so that verification, held funds and dispute protection apply.
- Do not use the Platform to launder money, avoid sanctions or move funds unrelated to a genuine Engagement.
- Do not use another person's payment method without permission.

## 4. Sanctions and export controls

You may not use the Platform if you are subject to applicable sanctions, or to provide services to sanctioned persons, organisations or jurisdictions. You are responsible for complying with export-control laws that apply to your work.

## 5. Reporting and enforcement

- 5.1** Report a suspected breach to [info@afterworc.com](mailto:info@afterworc.com). We review reports promptly.
- 5.2** Where these rules are broken we may remove content, pause or cancel Orders, hold payouts, suspend or close accounts, and report the matter to authorities, payment partners or the card networks.
- 5.3** We may change this list to reflect legal or payment-network requirements.
